Our Mission Statement

Through trust, communication and mutual respect, we will create a working partnership with the New London area community to establish an educational youth basketball program for young girls within the New London School District. This youth program is intended to provide opportunities and support the ongoing participations in the game of basketball. We will establish an environment where learning the fundamentals of the game will be stressed at each level of the program. We will maintain a positive environment of every child involved, with the opportunity for competitive play.

NLGYBA Teams Play at JV Game Half Time

Coach Troy Krause has invited the teams to play at the half time of the JV games this year. The 8th and 7th grade traveling teams and the 6th grade Heart of the Valley teams have already played. It seemed to be a lot of fun for the girls and spectators to watch. As the season continues the other teams will also be playing.
