Our Mission Statement

Through trust, communication and mutual respect, we will create a working partnership with the New London area community to establish an educational youth basketball program for young girls within the New London School District. This youth program is intended to provide opportunities and support the ongoing participations in the game of basketball. We will establish an environment where learning the fundamentals of the game will be stressed at each level of the program. We will maintain a positive environment of every child involved, with the opportunity for competitive play.

CONGRATULATIONS LADY BULLDOGS, COACH KRAUSE AND ASSISTANT COACHES!

Good job Lady Bulldogs on your WIAA Division 2 Regional Championship and the Sectional Championship! Now it's on to the Alliant Energy Center in Madison! We will see you in Madison!!

GOOD LUCK AT STATE!!

Team Updates

3RD GRADE TRAVELING TEAM – COACH SHERYL PETHKE

The girls played in the Oshkosh Lourdes Tournament on March 4th. They lost one game by 4 points, lost another game by 1 point and won a game by 3 points. The team goal was to win a game and each girl had an individual goal to take a shot at least once. They accomplished both. They are continuing to improve and work together as a team. The girls have been practicing at home and the support from the parents has been wonderful.

4TH GRADE TRAVELING TEAM – COACH DOUG NOEL

They were at the Oshkosh tournament where they played 3 games. They played hard and have improved since their last tournament. They will be attending the Most Precious Blood tournament at the end of the month.
